

Barcaldine Primary School AGM Wednesday 21st October 2020

Chair's report

2020 has definitely been unprecedented in many ways. Despite the many challenges faced, we have achieved a great deal as a Parent Council since our last AGM in May 2019.

We have

- Raised over £1000 from our Biathlon in September 2019
- Provided refreshments for the Christmas Around the World Event – a magical outdoor evening.
- Organised and provided refreshments for a Burns Night Ceilidh in February 2020
- Used funds raised to pay for all pupils to take part in a skiing taster day at Aonach Mor
- Got to grips with Google Classroom and Google Meet
- Huge thanks to Pam for organising us and members of the community to complete the work needed in the school playground and also for working so hard on it herself. What a massive difference.

Once again thanks to everyone – Barcaldine Primary School staff, parents and pupils for their support, commitment, help, and good humour during a very difficult year.
